Extensive Institution Network

- Rapidly growing network of candidates from colleges, secondary schools across boundaries.
- We have trained and experienced counselors and mentors for counseling candidates for a great career.
- Strong partner relationships with higher secondary schools and training career counseling.
- We also assist candidates with student visa process.

Goals & Objectives

01

Globally promote international education.

02

Ensure seamless student support and placement.

03

Foster strategic partnerships for educational and professional enrichment.

04

Expand global accessibility to our services.

05

Provide targeted development for corporations and institutions.

Abacus Approach

- ▶ OUR MODEL – INTEGRATED EDUCATION & DEVELOPMENT PROGRAMME - IEDP
- ▶ Ten Plus programme helps enroll & supports socio-economically vulnerable children to higher education streams of their choice, so they can subsequently pursue good livelihood opportunities

- ▶ Holistic School Development programme addresses the quality and equity issues plaguing Government schools.
- ▶ Head Start programme focuses on the issue of children dropping out at the

PROGRESSIVE PROGRAMS

ADMISSION GUIDANCE

- ▶ Our Admission Consultants do personalize counselling, assesses student's academic profile and financial ability to suggest the right country, university or college and course that adds value to their existing profile and improves the employment prospects.

VISA ASSISTANCE

- ▶ Once the admission process is completed our expert team will assist them to complete his or her visa formalities with appropriate documentation as per respective high commission requirements and provide visa counselling.

SCHOLARSHIP GUIDANCE

- ▶ For students and their families with dreams of overseas education, one of the main concerns is to get scholarships and grants. Various universities in numerous countries offer great scholarships for international students. Get proper guidance regarding eligibility, supporting documentation, and other vital requirements.

PREDEPARTURE GUIDANCE

- ▶ We provide pre-departure facility to our students and make sure they do not face any problem related to accommodations, course, etc and hence provide enough support to the min their early stages in a new country when things would be new and unfamiliar.

What Students Say

IB Students

“one always finds it difficult to find a best educational advisor and in that case Abacus Edu Consultants India is the place where one can find all the solutions for study abroad including visa.”

Nandini Reddy, Hyderabad

“AECI Educational Advisors helped me to improve my SOP, Internship & Certificate learning guidance as per major requirements from university.”

Mikhail Sheikh, Gujarat

“They are best not because of getting me an offer letter from university but because they give more than 10 university applications along with complete visa assistance.”

Kelvin, Nepal

“Though I had a career counselor in my school in Dehradun, Ms. Philomena and her team from Abacus Edu Consultant constantly guided me throughout my career counselling and university placement journey from the day I met them.”

Atharva, Dehradun

“Thank You so much mam for your valuable assistance in helping me to choose the right country and university like Buffalo University. I would say that mam always gives her best to get her students the choice of their university. I would highly recommend students who are confused about their career journey and overall admission process. Abacus is the right place to contact and especially Philomena mam.”

Akshat, Bengaluru
